 - Designed and conducted a primary survey to assess consumer perception and adoption barriers.
 - Analyzed dataset to identify key economic and behavioural determinants of EV adoption in the region.
- "Walk With a Scholar" Program Member (Govt. of Kerala) – Elite mentoring for top-performing students.

PROFESSIONAL EXPERIENCE

Student Assistant – Consumer Market Insights

Mar 2023 – Present, Hamburg (Germany)

Statista GmbH

- Engineered and maintained robust data sourcing pipelines using Python, employing custom web scrapers and automated cleaning workflows.
- Executed extensive data research and applied market forecasting methods to generate consumer market insights.
- Produced client-focused reports by transforming complex datasets into clear, intuitive infographics in collaboration with data analysts.

Media Manager & Content Creator

Nov 2020 – Mar 2022, Aluva (India)

Centenary Celebrations, UC College

- Led digital media strategy and content creation for a major institutional milestone.
- Significantly increased engagement across multiple platforms through targeted campaigns.

SKILLS

Competencies

- Econometrics & Data Science: Python, R, EViews, Matlab
- Causal Inference (Synthetic DiD) & Policy Evaluation
- Survey Implementation
- Tools: Git, LaTeX, SQL, Markdown, Antigravity

Languages

- English (IELTS: C1)
- Malayalam (Native)
- Tamil (Conversational)
- German (A2)

CERTIFICATIONS & COURSES

Data Science: The Data Scientist's Toolbox (Johns Hopkins University, Coursera) – 100%

Programming: R Programming (Johns Hopkins University, Coursera) – 97%

Policy: Moral Foundations of Politics (Yale University) – 88%

Learning: Learning How to Learn (Deep Teaching Solutions) – 99%

VOLUNTEER EXPERIENCE

Vice Chairperson & Media Coordinator

Oct 2019 – Mar 2022, Kerala (India)

Student Christian Movement of India (SCMI)

- Spearheaded regional student initiatives and managed public relations strategies.
- Coordinated cross-cultural student activities and events.

Editorial Board Member

Apr 2019 – Mar 2021, Aluva (India)

Department Magazine, Dept. of Economics

- Contributed to the design and publication of the department magazine.
- Collaborated with the team to plan themes and edit submissions ensuring high-quality production.
